

AMENDMENT UNDER 37 C.F.R. § 1.111  
U.S. Application No.: 10/629,596

Attorney Docket No.: Q76717

**AMENDMENTS TO THE DRAWINGS**

Applicant is submitting a new Figure 3 that labels the RTS RECEIVER as 23.

Attachment: Replacement Sheet

**REMARKS**

Claims 1-7 are all the claims pending in the application.

Claim 7 is canceled.

Claims 1 and 2 are amended to further clarify Applicant's claimed invention. The Amendments are not intended to narrow the scope of the claims, and thus are not subject to estoppel.

Applicant has amended the specification and drawing Figure 3.

Applicant thanks the Examiner for accepting the drawings filed on July 30, 2003, and acknowledging the claim for priority under 35 U.S.C. § 119, and receipt of all certified copies of the priority documents submitted July 30, 2003.

A replacement drawing for Figure 3 accompanies this Amendment. The drawing has been amended to add an item number for the RTS RECEIVER.

**Allowable Subject Matter**

Applicant thanks the Examiner for stating that claims 4-6 are allowable and that claims 2-3 contain allowable subject matter.

**Claim Objections**

Claim 1 has been corrected as required by the Examiner and Applicant thanks the Examiner for the suggestions. Thus, withdrawal of this objection is respectfully requested.

**Claim Rejections - 35 U.S.C. § 112, first paragraph**

The Examiner rejects claims 1-3 as allegedly containing subject matter that was not described in the specification. Applicant traverses these rejections, because the claims as amended are fully supported by the specification as originally filed. Therefore, the Applicant respectfully requests the Examiner to withdraw the Section 112, first paragraph rejection.

In view of the above, reconsideration and allowance of this application are now believed to be in order, and such actions are hereby solicited. If any points remain in issue which the Examiner feels may be best resolved through a personal or telephone interview, the Examiner is kindly requested to contact the undersigned at the telephone number listed below.

The USPTO is directed and authorized to charge all required fees, except for the Issue Fee and the Publication Fee, to Deposit Account No. 19-4880. Please also credit any overpayments to said Deposit Account.
